

*I believe we can all be great leaders,
we just lead differently.*

*Enthusiasm and positive attitude
are the key to success.*

Carpe Diem...Seize the day!

Laurie Carrick's qualifications include 30 years of executive leadership, combining 12 years with Mobil Oil Corporation and 18 years as founding President of Carrick & Associates, a consulting company. Laurie's executive leadership experience is the cornerstone of her success in developing and motivating employees while focusing on improved organizational effectiveness and strategic initiatives. Her projects span national, international corporations and academic arenas. She is an MBA graduate of Drexel University and is currently pursuing her Doctorate from the University of Pennsylvania, Wharton and Graduate School of Education.

Our History

Carrick & Associates was founded in 1990 by Laurie A. Carrick to provide leadership training and executive coaching to Leaders of all levels.

Laurie Carrick began with over 12 years of leadership experience from Mobil Oil Corporation with an MBA from Drexel University.

Carrick & Associates has provided excellent design and facilitation of leadership development programs to major Fortune 500 Corporations.
